- Promoters can make or break your establishment. Before hiring a promoter consider the risks involved. Ask for a promoter's references and call them. Look up past events on social media.
- Keep in mind that your license will be charged for any offenses that occur at your establishment even if a promoter is put in charge. Protect yourself by developing responsible policies for your staff and guests. Hire only responsible promoters who have strong policies in place.
- Licensees will be held responsible for anything that occurs on the licensed premises.
