## **Overview**

Under § 2-1209 of the State Government Article, the Department of Legislative Services is required to review all State laws that mandate reporting to the General Assembly or to the Governor and make recommendations for the repeal or modification of those laws. The review must be done in consultation with the entities required to submit the reports and must evaluate whether the reports are obsolete, duplicative, impractical, inefficient, or otherwise unnecessary. Additionally, the review must be completed on or before December 1 of the year immediately preceding the beginning of a term of the General Assembly. At the end of the review, the department is required to make its recommendations to the Legislative Policy Committee and prepare legislation to implement the recommendations.

In accordance with this requirement, the department performed the mandated reports review during the 2018 interim. Additionally, the department reviewed joint committees, task forces, commissions, and other similar entities to determine if any changes regarding those entities are warranted. The results of those reviews are included in this report. Finally, as required, draft legislation to implement the recommendations is included.

## Recommendations Regarding Mandated Reports

Citation	Agency	Topic
Ch. 592, § 4 of the Acts of 2007 [Uncodified]	Baltimore City Community College	Nonmerit and At-will Positions <b>Repealed as impractical</b> This reporting requirement is repealed, as positions are not classified as nonmerit or at-will.
State Finance and Procurement, § 14-303(a)(1)(iii)	Board of Public Works	Certification of Minority Business Enterprises <b>Repealed as duplicative and unnecessary</b> The Board of Public Works complies with this requirement by notifying the General Assembly through a letter that the <i>MBE Central Directory</i> is available through the link provided in the letter. The certification agency, which is currently the Maryland Department of Transportation, is required under § 14-304(a)(1) of the State Finance and Procurement Article to develop and maintain a directory of all certified minority business enterprises. Therefore, this provision is repealed as duplicative and unnecessary.
State Finance and Procurement, § 15-111(c)	Board of Public Works	Expedited Procurement <b>Repealed as inefficient</b> The Board of Public Works advises that currently only two agencies are authorized to use expedited procurement: the Maryland Aviation Administration and the Maryland Port Administration. Additionally, information regarding contracts awarded on the basis of expedited procurement is submitted to the General Assembly annually by each procurement unit. Therefore, this provision is repealed as inefficient.
State Finance and Procurement, § 14-208	Board of Public Works	Small Business Preference Program <b>Repealed as inefficient</b> The Board of Public Works advises that the Small Business Preference Program is hardly ever used because of the recent expansion of the Small Business Reserve Program. Therefore, this provision is repealed as inefficient.
Human Services, § 10-206	Department of Aging	Senior Citizen Activities Centers and Accessible Housing Services Counseling <b>Consolidation of reporting requirements</b> This section requires that two separate reports, one related to senior citizen activities centers and one related to accessible housing services counseling, be submitted

General Provisions, § 4-501(c)(6)	Department of Budget and Management	<p>Adoption of Regulations Exempting Personal Records</p> <p><b>Repealed as unnecessary</b></p> <p>Subsection (c)(6) of this section is being repealed as unnecessary. The provision requires the Secretary of Budget and Management to report to the General Assembly if regulations are adopted by the Secretary to exempt certain personal records from collection and disclosure requirements. However, proposed regulations are submitted to the Joint Committee on Administrative, Executive, and Legislative Review. Additionally, proposed regulations and notices of final action regarding proposed regulations are published in the Maryland Register.</p>
Ch. 403, § 3 of the Acts of 2003 [Uncodified]	Department of Budget and Management	<p>Retirement Benefits Comparison Study</p> <p><b>Repealed as obsolete</b></p> <p>Section 3 requires the Department of Budget and Management to conduct, or hire an independent third party to conduct, a peer benefits study of the several systems of the State Retirement and Pension System every four years and to report the findings to the Joint Committee on Pensions. Due to the major reform of the system that occurred in 2011, the report and the underlying study are obsolete.</p>
Ch. 302, § 2 of the Acts of 2004 [Uncodified]	Department of Budget and Management	<p>Special Pay Plan</p> <p><b>Repealed as obsolete</b></p> <p>This section requires notification if the Secretary of Budget and Management delegates the Secretary's duties under the Special Pay Plan. The plan was repealed by Chapter 602 of the Acts of 2006 and, therefore, the section is repealed as obsolete.</p>
Tax-General, § 10-730(e)(2)	Department of Commerce	<p>Film Production Activity Tax Credit</p> <p><b>Consolidation of reporting requirements</b></p> <p>The report required under subsection (e)(2) of this section is combined with the report required under § 2-109 of the Economic Development Article, which requires additional reporting regarding the film production activity tax credit, for efficiency.</p>

Ch. 164, § 4 of the Acts of 2015 [Uncodified]	Department of Commerce	Unmanned Aircraft Systems <b>Codification of ongoing requirement</b> The monitoring and reporting requirements under Chapter 164, § 4 of the Acts of 2015 regarding federal regulation of small commercial unmanned aircraft are repealed and instead codified under § 14-302 of the Economic Development Article for transparency.

Environment, § 2-1209	Department of the Environment	Emissions Reductions <b>Repealed as obsolete</b> This one-time report regarding emissions reduction was submitted, so this section is repealed as obsolete.

Business Regulation, § 8-204(c)	Department of Labor, Licensing, and Regulation	<p>Maryland Home Improvement Commission</p> <p><b>Modification of reported information</b></p> <p>Under this subsection, the Maryland Home Improvement Commission is required annually to report on the number of claims closed at each meeting and the number of claims that remain open at the conclusion of each meeting. However, the commission does not close claims at meetings. The requirement is modified accordingly to require the reporting of the number of pending claims as of the date of each meeting so that legislative intent is retained.</p>
Labor and Employment, § 11-401(8)	Department of Labor, Licensing, and Regulation	<p>Planned Apprenticeship Standards and Activities</p> <p><b>Repealed as duplicative</b></p> <p>The Apprenticeship and Training Council uses the annual report required under § 11-405(e) of the Labor and Employment Article to comply with this reporting requirement. Therefore, this less specific reporting requirement is repealed as duplicative.</p>
Business Occupations and Professions, § 12-205(c)(4)	Department of Labor, Licensing, and Regulation	<p>State Board of Plumbing</p> <p><b>Repealed as unnecessary</b></p> <p>Under this subsection, the State Board of Plumbing is required to annually review and report on the cost and availability of water conserving appliances, devices, fittings, and fixtures that conform to new and existing standards of the American National Standards Institute and any other organization listed in the State Plumbing Code or the Model Performance Building Code. Often the information does not change from year to year and any actions taken by the board regarding the results of the review are reflected in Board minutes or in the State Plumbing Code. As a result, this reporting requirement is repealed as unnecessary.</p>

		proposals in advance of the following legislative session. The June 30 due date, however, has proved unworkable, as it usually takes the Department of Natural Resources six to eight weeks after June 30 to declare the previous fiscal year closed. Therefore, the reporting date is modified to September 1.
Public Safety, § 2-307(b)(4)	Department of State Police	<p>Hate Crimes Information</p> <p><b>Modification of reporting date</b></p> <p>Under subsection (b)(4) of this section, the Department of State Police is required to make monthly reports to the Commission on Civil Rights regarding information related to incidents apparently directed against an individual or group because of race, religion, ethnicity, or sexual orientation. To comply with this requirement, each local law enforcement agency and the State Fire Marshal is required to provide the needed information. According to the department, it is difficult for the local law enforcement agencies to provide the needed information on a monthly basis. Accordingly, at the department's request and with the concurrence of the commission, the reporting requirement is modified to be quarterly, rather than monthly.</p>
Ch. 5, § 12(7) of the Acts of 2003 [Uncodified]	Department of State Police	<p>Pension System Information</p> <p><b>Repealed as duplicative</b></p> <p>This section requires the Secretary of State Police to submit a biennial report on the state and condition of the pension system for State troopers. The Superintendent of Police and all active State troopers were removed from the pension system during one of the early pension reforms. Information regarding the pension system as it applies to State troopers who remain in the system is included in the reports submitted by the State Retirement System. Therefore, this reporting requirement is repealed as duplicative.</p>
Transportation, § 8-508(d)	Department of Transportation	<p>Highway and Capital Transit Construction Training and Support Services</p> <p><b>Repealed as unnecessary</b></p> <p>There has not been any indication of legislative interest in the Highway or Capital Transit Construction Training and Support Services program since it was enacted in 2012 and, therefore, there is no need for an extensive annual report on this relatively small program. As such,</p>
