RE: Canton Gaming, LLC – Class B-2 Sports Wagering Facility License –
Relocation Request within Baltimore County – from 319 York Road in
Towson to 1008 Reisterstown Road in Pikesville.

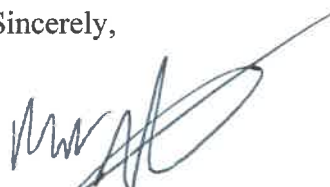

Dear SWARC and MLGCC Commission members,

Canton Gaming, LLC was deemed qualified to hold a Class B-2 Sports Wagering Facility License by MLGCC on January 26th, 2023, and subsequently was awarded a Class B-2 Facility License by SWARC on February 15th, 2023. Canton Gaming officially launched retail sports wagering at The Greene Turtle in Towson (located at 319 York Road) on September 29th, 2023, and ceased sports wagering activity at this facility on February 9th, 2025.

Under Chapters 332 and 333 of the Acts of 2025, effective July 1st, Section 9-1E-07(j) of the State Government Article permits a competitively awarded Class B-2 sports wagering facility licensee (originally issued on or before September 30th, 2023) to submit a written request to MLGCC and SWARC for relocation, provided the new facility: (i) is located in the same county as the current facility; and (ii) complies with existing statutory location requirements (i.e. is not located in an exclusion zone).

Canton Gaming, LLC requests that MLGCC and SWARC approve this request to relocate our Class B-2 Sports Wagering Facility License from 319 York Road in Towson, to 1008 Reisterstown Road in Pikesville. The retail sports betting landscape in Maryland is particularly challenging: of the five competitively awarded Class B-2 facility licenses, only three have launched, to-date. Canton Gaming feels that the relocation request, wholly within Baltimore County, is in the public interest to continue providing “enhanced State fiscal resources for education” and “economic development and job opportunities spurred by the sports wagering industry.” We truly appreciate the consideration.

Sincerely,

Mark Sapperstein
