B&T	78	Alters individual income tax rates by consolidating the lowest four income tax brackets and adds two new brackets for higher income categories, increases the standard deduction, eliminates the income-based phase-in of the standard deduction, eliminates the itemized deduction option, and phases out the Child Tax Credit for taxpayers as their incomes increase rather than having a cliff at \$15,000 beginning with tax year 2025.	The Governor's Fiscal 2026 Budget Plan assumes general fund revenues of \$691.5 million due to these provisions.	Modify – Retains the repeal of the phase-in of the standard deduction, the modification to the child tax credit, and the two new tax brackets for taxable income over \$500,000. However, it alters the increase in the standard deduction to 20%, eliminates the consolidation of the lowest four income tax brackets, and phases out itemized deductions for federal adjustment gross income above \$200,000 by applying a 7.5% phase-out instead of removing this option.		
B&T	79	Applies a surcharge tax on capital gains for taxable years 2025 through 2028 for individuals who meet certain conditions and have a federal adjusted gross income of \$350,000 or higher	The Governor's Fiscal 2026 Budget Plan assumes general fund revenue of \$128 million due to this provision.	Modify – Establishes the surcharge at 2% with 1.25% directed to the General Fund and 0.75% to the Transportation Trust Fund.		
B&T	80	Phases in a reduction to the corporate income tax over two years beginning tax year 2027 (a reduction from 8.25% to 8.12%) and tax year 2028 (a reduction to 7.99%), and requires that companies use water's edge combined reporting beginning tax year 2028.		Modify – Retains the portion of the provision related to implementing combined reporting, but strikes the portions that reduce the corporate income tax rate over two years.
